The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.wellsense.org or by calling 1-855-833-8122. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-855-833-8122 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$7,500 Individual / \$15,000 Family (Medical and RX)	See the Common Medical Event chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your deductible?	Preventive Services, Urgent Care Services, PCP Office Visits, Physical, Speech and Occupational Therapy Services, and Specialist Office Visits are covered with no Deductible	You must pay up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for services other than those listed.
Are there other deductibles for specific services?	No	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$9,200 Individual / \$18,400 Family (Medical and RX)	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.wellsense.org or call 1-855-833-8122 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>network</u> <u>specialist</u> you chose without a <u>referral</u> .

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
